

HUDSON HOTEL, HUDSON BAR AND THE HUDSON CLUB

Hudson Hotel at 7-11 Hope Street is a new 30 bedroom hotel for Festival Hotels located in the West End of Edinburgh. The B Listed Georgian building, previously a post office, sits at the entrance to Charlotte Square and within Edinburgh's World Heritage Site. The building has been conserved and converted into a modern 3 star hotel complex to meet demand for high quality city centre accommodation.

The ground floor cafe/bar spills out onto the broad pavement in front of the building and where pedestrians leave the West End of Princes Street. The nightclub is located in the basement cellars, separated from the bedrooms. The fit out was carried out by others.
